Extras

Music purchase \$1.50 per song

We will purchase songs online for you. We blend songs together into a musical soundtrack synchronized to your photos.

Chapter Titles \$7.50 each

Title screens are used for introducing new sections (or chapters) of content.

Intro / Outro message \$15

Include a personal message, congratulations, special blessing, note of thanks, words of encouragement, a poem, favorite scripture, or quotation. Introductions come at the beginning of the slideshow, and Outros came at the end. But they can be used to communicate whatever message you want to convey through your slideshow.

End credits \$15

As in a Hollywood film, this is where you list and credit those who played a role in the slideshow. You can give credit to your friends and family with their name and significance (eg. "best man").

Photo Captions \$1.50 each

A photo caption is text that appears with a photo.

Voice-over Narration \$15

You can include a narrative track, an audio interview, Grandpa's familiar voice.

Home Movies & video clips \$15 digitize / \$4 per min.

Add family home movies to your slideshow. Video clips may be separate from or combined with still photographs. Video may require a \$20.00 fee to capture and digitize your media.

Add Extra photographs, documents or artifacts \$1.50 each

Include extra photos, prints, slides, love letters, diploma, wedding announcement, concert tickets, nostalgic memorabilia, personal artifacts and documents.

Restored Photo CD \$15

Before we begin, each photo is color-corrected by a professional photo technician. This brings your old, discolored photos back to their original appearance, often superior to the original photograph. Use this CD to print out high-quality photographs.

Extra DVD copies \$15

Give a copy of your DVD as a gift to your parents, children, family and friends. Each DVD comes in a durable hard-shell case, custom label and color artwork. (5 or fewer copies = \$15 each, order 6 or more = \$12.50 each, 12 or more = \$10 each)
